

The Park In The City

The Park in the City Memorial Fund ~ Donor Card program

A Living Legacy
in memory of

A man does not plant a tree for himself, he plants it for posterity.
- Alexander Smith

From _____

A donation has been made to
The Park in the City Memorial Fund
towards the beautification of Niagara Falls,
creating a healthy environment.

**A LIVING MEMORIAL
BEAUTIFICATION OF NIAGARA FALLS**

COMMEMORATIVE GREENING PROGRAM
Made possible by The Park in the City Committee
for the City of Niagara Falls.

The Park in the City Committee recognizes that there are limited funds within the Corporation of the City of Niagara Falls for purchasing and planting trees, shrubs and flowers to beautify our City.

The Park in the City Memorial Fund was created to help to develop a sustainable pocket of funds for beautification. This Commemorative Greening Program is helping to create a healthy environment in the City of Niagara Falls.

The Park in the City Memorial Fund Donor Cards are available at all Niagara Falls Funeral Homes and at Fairview Cemetery.

The Corporation of The City of Niagara Falls will issue acknowledgement letters, as per the Income Tax Act Section 118.1 (1) (d) for donations \$10 and greater.

Please make all cheques payable to the City of Niagara Falls.

The fund is governed by The Park in the City Committee for the City of Niagara Falls. Each year, The Park in the City Committee, will review the funds and select a project that will help to beautify our City.

Plan a gift that helps to create a healthy environment!
