

NOTICE

Collection of Fees

USE OF WATER & WATER SERVICES

Applying for:

... a building permit, sewer permit
or the installation of a water service?

New Billing Procedure to take effect October 1, 2009

Water Usage Flat Fee will be revised from:
billing one month after permit issuance...
to billing customer at time of issuance.

This revision improves the recovery costs
of water used during construction.

Approved by Council. By-law 2007-161, Section 14.(3)
