Menu & Entrees April & May 2012

Located at the
Coronation 50 Plus Recreation Centre
(Corner of Summer & Main)

The Craft House café opened in September 2007 and is situated in the Coronation 50 Plus Recreation Centre on the corner of Summer St. and Main St.

Offering a light menu of breakfast items, soups, sandwiches and a daily hot meal, this quaint café offers all the comforts of home.

The colour and décor scheme was taken from the stain glass windows that are original to the house which is over 100 years old. The Café was originally built as the Manse for the Church of the Redeemer. The Coronation Centre moved in to the Church in 1979 and continues to offer a wide variety of programs and services to older adults in the Niagara Region.
