

Notice of Public Open House for the Preakness Neighbourhood Park Playspace Improvement Project

Dear Resident,

The City of Niagara Falls is pleased to advise you of the planned improvements to the existing playground at Preakness Neighbourhood Park. An Information Open House has been scheduled to review the proposed park improvement plans for the playground area, ask questions, and provide comments.

<p>Date: Wednesday October 5, 2011 Time: 6:00 pm - 7:00 pm Location: Gale Centre Arena, Main Floor Hall, 4171 Fourth Ave. (At North Arena Entrance)</p>
--

The City of Niagara Falls, through regular playground audits, have identified the existing playground equipment at Preakness Park for replacement. The existing playground equipment is in excess of 15 years old and, though safely maintained, has a number of apparent deficiencies due to its age and use. Part of this playground improvement project is the ability to improve the levels of accessibility and inclusive play opportunities.

If you have any questions regarding this park improvement project, please contact Jeff Claydon, Landscape Architect at (905) 356-7521 extension 3334 weekdays between 8:30 a.m. & 4:30 p.m, or email jclaydon@niagarafalls.ca.

Thank you.
