RFP02-2012  
Columbarium - Fairview Cemetery

The RFP requirements, contract requirements, specifications, schedules and drawings are amended as follows:

**Questions and Responses:** Q = Question, R = Response

Q1 Re: the colour and style of the structure being requested, is the City looking at matching the existing domed columbarium or is the City open to new styles?

R1 The City is interested in variation as opposed to an exact match. The current colour is black granite, however, it is the City's intention to review colour samples with the successful bidder. The colour will need to complement the existing columbarium but it does not necessarily have to be black. Two colour photos are attached of the existing columbarium site.

Q2 Re: the foundation, Who will supply and install the foundation? Is the City (Fairview Cemetery) going to install the foundation using the specs provided from proponents?

R2 The selected columbaria supplier will provide the specifications and the City (Fairview Cemetery) will install the foundation.

Two photos are attached to this Addendum.
