There are many benefits to registering your i-ride card. It can be replaced if Transit is notified it has been lost or stolen; it can be cancelled; the remaining balance on the card can be transferred to a new card (\$5.00 fee); tax information for the Federal Tax Credit is readily available. If you purchase your original card at the Niagara Falls Transit Office it can be registered immediately. If you purchase it elsewhere, you may register online at www.iridepass.ca, or you may also fill out and mail the form above.

Use of this card constitutes acceptance of the applicable terms and conditions. Improper use is subject to fines or prosecution. Return lost cards to any Bus Operator. Registered cards (does not include Falls Shuttle), can be replaced if lost, damaged or stolen for a fee. To register call 905-356-7521, ext 4500 or visit www.niagarafalls.ca

TICKETS

If you still have Transit tickets in your possession, they will be accepted on the bus until June 30, 2012, the value of your remaining tickets can be loaded onto your new i-ride card at the Niagara Falls Transit Office only. Tickets will not be sold after January 1, 2012.

TRANSFERS

If you board a second bus within one hour of paying for your original trip, the smart card technology in the system will identify your next trip as a transfer. If you pay with cash, you will need to ask the operator for a paper transfer. You will only be able to pay for one fare with the i-ride card, a second person must pay their own fare.

What is an iRide Card?

The i-ride card is a **RELOADABLE** “smart card” that will replace tickets and monthly passes. It can be loaded with either pre-paid rides or as a time based pass. If you select pre-paid rides, your original card will be loaded with 10 rides. If you select a time-based pass it is sold as a 30-Day Pass. It will work with Niagara Falls Transit’s electronic fare collection system. The card contains a microchip and looks like a credit or debit card. The **RELOADABLE** card can be used over and over again.

When you board the bus, you simply tap the card on the fare reader and in seconds it will accept your ride with an audible beep.

Remember not to bend or punch holes in your card as it contains a microchip and an imbedded antenna.
