## Notes:

Polygon 1 Description: This area follows the drain and lies between Lyon's Creek Road and Sodom Road north of Mann St. The drain has no vegetation at all growing on its banks. We encountered no encroachments; a fence was in place at the subdivision. We did see some nice trees such as large Shagbark

Notes:

There was a fair amount of dumping of garden and building supplies and some broken bottles. Invasive species were numerous and wide-spread.
