Notes:

The area east of the archery club clearing is a much younger second-growth forest with many of the same species as in the old growth area. The archery club has a well maintained trail system winding through this area with a number of targets set up for archery practice

Notes:

In the eastern part of the polygon, a small overgrown trail leads into the woods from Willoughby Drive. Small clearings exist along this trail, which scout groups reportedly once used for camping. These woods were in excellent condition free of trash or other human disturbances. A significant amount of invasive glossy
