Notes:

Flowering Dogwood was in full bloom and relatively healthy. Secondary old growth trees have been surveyed including Black Cherry, Black Oak, White Oak and Tulip. Very large Sassafras trees were noted. There is an extensive diversity of trees and ferns and other plants. The Flowering Dogwood needs protection from

Notes:

Motorcycles & ATVs are a major concern in this park causing extensive damage to the natural vegetation, increasing the number of trails, widening trails and creating ruts that pool with water and cause erosion. Invasives such as Autumn Olive are spreading. Multiflora Rose is crowding some Flowering Dogwood trees.
