Notes:

The Carl Road Woodlot is a small city-owned property on the west side of Lyon's Creek, opposite Willodell Golf Course. Access to the property is difficult because private property separates it from direct access to Carl Rd. For purposes of this survey, the property was divided into 2 polygons:

Notes:

The vegetation is primarily a very dense shrub layer consisting of hawthorn, dogwood, raspberry, and sweetbrier rose, all of which make access through the area extremely difficult and unpleasant. The canopy is open and consists primarily of scattered spruce, pine and old apple and pear trees. The land gradually slopes
